

5. KNITTING AND HOSIERY MACHINERY

4.4. – CROCHET MACHINES

5.4.04.056

No. 1 Crochet jacquard machine

Comez MJB 3100

Gauge 10

for scarves and fabrics complete with collector on roll

5.4.04.074

No. 1 Crochet jacquard machine

Comez MJB 3100

Gauge 10

for scarves and fabrics complete with collector on roll

5.4.04.076

Crochet machines Comez mod. 609/B3

y.o.c. 1995 - 600 mm operating width

3 weft bars - gauge 15

complete with:

3-roller feeders for elastic threads

Heddle-bar for elastic threads

Creel 384 position with automatic picking up device for elastic threads

Collector of the finished product

5.4.04.077

Crochet machines Comez mod. Decor

y.o.c. 1995

operating width 800 mm.

8 weft bars - gauge 10

complete with:

-PIKER/800/V2 – double picot edge device

-AT/N - frange cutting device

-REF/800 - rear collector of the finished product

-CREEL 288 positions

5. KNITTING AND HOSIERY MACHINERY

4.4. – CROCHET MACHINES

5.4.04.078

Crochet machines Comez mod. 408/B3

y.o.c. 1995 - 400 mm operating width

3 weft bars - gauge 15

complete with:

3-roller feeders for elastic threads

Heddle-bar for elastic threads

Creel 256 position with automatic picking up device for elastic threads

Collector of the finished product behind the creel

5.4.04.079

Crochet machines Comez mod. CT8/600 FA

operating width 600 mm.

5 weft bars - gauge 15

3-rollers feeder for weft threads

complete with:

Collector of the finished product on circular rolls

Without creel

5.4.04.080

Crochet machine Comez mod. 1608 Testronic

y.o.c. 1995

operating width 1600 mm.

8 weft bars - gauge 10

complete with:

- PIKER – double bar

- REF/1000 - fabric collector on rod and bench and creel

-CREEL 256 positions

5. KNITTING AND HOSIERY MACHINERY

4.4. – CROCHET MACHINES

5.4.04.081

Crochet machine Comez mod. Testronic 1600/EL y.o.c. 2006

operating width 1600 mm.

7 weft bars - gauge 10

complete with:

- BPO/1600 – heddle bar for warp threads (electronic drive)
- AL.POS – adjustable positive feeder for warp threads (electronic drive)
- AL.FT – 3-rollers feeder for weft threads (electronic drive)
- AL.FTS - supplementary 3-rollers feeder for weft threads (electronic drive)
- PIKER – double bar
- GRB/1600 - fabric collector on rod and bench
- CREEL 256 positions
